

VOLUNTEER WITH CENTRAL SINGAPORE CDC

VOLUNTEER AND SERVE THE COMMUNITY WITH US

Through our **suite of 52 programmes**, here are some of the key programmes that you and your organisation can consider to volunteer and serve the community with us.

Here's how **YOU** and **YOUR ORGANISATION** can make a difference with two easy steps:

- 1 Identify which areas/initiatives that you would like to volunteer from the list of initiatives below; and
- 2 Email us your contact details and we will liaise with you.

► Promote **lifelong learning and foster social interaction** through interest-based activities such as **Chess**

► Provide **diverse learning opportunities** for youths who lack similar access to become **Confident, Curious and Caring**

Ways You Can Contribute

Facilitate chess workshops for residents to learn more about chess (training will be provided to familiarise volunteers with basic chess rules).

Roles

Facilitators

When

Throughout the year
